

Ngāti Kahungunu Iwi
INCORPORATED

MEDIA RELEASE – 6 December 2010

Fiesta of Lights - A million watts of family fun!

Every night after dark the lights turn on to a dramatic countdown. The wonder then begins for young and old alike.

Visitors can enjoy a fairyland of 500,000 sparkling lights which envelope tree lined roadways. Wonderful light displays animated precisely to music offer an experience you will not see anywhere else in New Zealand.

Tune your radio to the festival radio station and enjoy the show from the comfort of your car. People of all ages will enjoy the wonderful atmosphere as thousands of sparkling lights are synchronised to everyone's favourite Christmas songs as well as a few new ones.

The holiday light show includes diving dolphins, spurting whales and jumping fish. There are swinging and ball kicking kiwis, swooping eagles, jumping deer and a tree full of dancing frogs. We host a spectacular 40 metre wide nativity scene surrounded by angels amidst thousands of twinkling fairy lights.

Entry \$10 car, \$15 van or \$4 person. Under 3 free. Special price for coaches.

Open 9.15pm to 11.15pm every night from Sunday 19th December to Saturday 8 January including Christmas and New Year's eve.

Hawke's Bay Showgrounds, Hastings, Entry from Karamu Road.
