

Ngati Kahungunu Iwi I N C O R P O R A T E D

The Ngati Kahungunu logo is represented by two koru.

The left koru is mature, wise, respected and slightly leaning as time goes on, and the koru on the right represents the firm stand of Rangatahi, proud of being Ngati Kahungunu.

The Kaumatua koru overlaps and leans towards the Rangatahi koru giving knowledge and history to rangatahi of the iwi.

The colour and shape symbolize the paua known throughout Aotearoa as one of Ngati Kahungunu's richest resources.
