# Chairperson's Report

Kahungunu, mana! Kahungunu, tangata! Kahungunu, iwi! Kahungunu, ki te ao mārama e!

Kia ora tātau katoa i te tau kua hori ake nei piki mai, heke atu! Tangihia ō tātau maha mate, tukuna rātau ki te huinga o Matariki. Whakanuitia tātau te hunga ora, ngā urupā o rātau mā, Tihei Kahungunu!

This year has been dominated by COVID-19 and apart from our fishing operations, Ngati Kahungunu has turned COVID on its head by promoting all our whānau interests above everything else. We have drawn down our reserves and drawn on all of our relationships with our community and private sector partners and we have fed, clothed and housed our iwi. We have pulled out all the communication stops to ensure that there's not one corner of Kahungunu neglected in this process. We have poured hundreds and thousands of dollars into our communities to help everyone. We have stepped above our comfort zones to lead locally, regionally and nationally. During lockdown periods while most of the country closed off, Ngāti Kahungunu with its unique manner has opened up opportuities for whānau, hapū iwi and waka to participate abroad nationally and internationally.

Every component of our work from our office and from our annual plan has been recorded and diligently reported against, but the political and social influence that we have shared will be measured in a future time by a future generation who will see the long term benefits and add to the strategies that will further support a healthy thriving future.

I am extremely pleased in which the way our settlement entities have worked shoulder to shoulder with our taiwhenua to help elevate communities in their time of need. This has not been restricted to our rohe alone, but throughout the country where our iwi members now work and thrive. If this momentum is maintained and enhanced then we indeed have an influential future for generations to come.

This is driven from a small tight multi skilled team with high trust modeling of each other and our iwi constituent organisations. We have a strong iwi and we have strong hapu and settlement collectives. Our task in front of us is to ensure we have strong and vibrant whanau and we dedicate our energies to see that this happens.

Kei te mihi ki a koutou e noho mai nā i ō tātau tini marae kāinga, kia haumaru te noho! Kia noho te ora roa ki a koutou katoa!

Kahungunu, kia ora!

Ngahiwi Tomoana

Tumuaki - Chairman

# Chief Executive's Statement

He tau pai te tau, He tau roa te tau, He tau uaua te tau, He tau nui te tau.

Tēnā tātau katoa i roto i te āhuatanga ki ō tātau mate maha i takoto ai ki runga i ō tātau marae maha. Ka tangi te ngākau ki a rātau mā. Waiho ake rātau ki te ao wairua. Ka mihi rā te ngākau ki te hunga ora, Ngāti Kahungunu mai i runga ki raro, tēnā koutou, kia ora tātau katoa.

As I am writing this report I want to acknowledge the passing of Des Ratima who was a resolute and devout man in his faith and as an advocate for his whānau, his community of Whakatū, and whānau Māori katoa. Although some may not have agreed with how he did things, his reasons for "doing" were without question. Des was a man of action and did not sit or step back because that's what our whānau and our communities deserve. He was also a great strategic thinker and was ahead of his time. At a personal level, I will miss him for his wise counsel and his challenges he put to me. He is and continues to be in death a champion of his people.

Moe mai rā, e te rangatira, i roto i te rangimārie. Ka nui te aroha ki a koe, Evelyn, me tō whānau.

These are anxious times for whānau with the COVID-19 Delta variant making its presence felt in Aotearoa. Ngāti Kahungunu lwi have reignited the Tihei Mauri Ora Centre led by our Chair and Henry Heke with the support of Health Hawke's Bay Primary Health Organiastion, Hawke's Bay District Health Board and our communications to our wider lwi network led by our Director Ruth Wong. I want to thank both these organisations for their continued commitment to the lwi and the wellbeing of whānau pounamu. Alongside of this our 6 hubs operated by ngā Taiwhenua o Ngāti Kahungunu are actively working with their partners to provide support to the whānau pounamu in their respective rohe. In May of this year we were successful in acquiring support for these hubs through Te Puni Kōkiri's Building Sustainable and Resilient Communities Fund. This is a significant investment that enables each Taiwhenua to increase the capability and capacity of their hubs and community to respond to crisis; like the current outbreak of the Delta variant, based on their own individual community's strengths, needs and aspirations. This investment also recognises the approaches that were developed during the previous lockdown period and its applicability within the current context.

COVID-19 has also changed how we do things within the Tari and none is more visible than how we run our events. Our events are extremely important as they are our opportunity to see and engage with our whānau and hear your feedback first hand. While we had to cancel our remaining Matariki events last July due to COVID-19, with the expertise of our Events team we were able to hold the last of the Matariki celebrations virtually, broadcasting live from our Tari and bringing together presentations and guest appearances of whānau from across our rohe. The standouts for me were Crystal Edwards who did an amazing job as MC and Dr Rangi Mātāmua's kōrero on Matariki. This type of ingenuity and innovation is an example of what positions our lwi across our Directorates in a different space to any other. Unfortunately, we were not able to hold our Te Reo symposium "Te Reo ki Tua" due to a number of reasons. Jeremy is "biting at the bit" and he and his team are readying themselves for the rescheduled time of April 2022. Shaping up to be a "not to miss" event.

Ngāti Kahungunu continue to advocate for and on behalf of our people and those that reside within our rohe. Over the last 12 months the demand for this advocacy has increased significantly across the Tari and Governance. The demands and pressures are outlined in the Directorate reports further in this report. However, I want to assure our whānau that while our Tari is small in size, every one of our team are experts and are respected for the knowledge and experience they bring to the table within their chosen field. We fiercely and resolutely hold our position and will do what is needed to ensure that the voice of whānau, hapū and lwi are heard. This is demonstrated in our advocacy directly with Ministers and Crown senior officials, through to Local government and communities.

# Chief Executive's Statement

As a member of Te Kāhui Ōhanga (TKO) which is a collective of Settlement entities, Taiwhenua and Iwi within Hawke's Bay for Matariki Regional Economic Development group, Ngāti Kahungunu continue to advocate for mechanisms that support the growth of the Māori economy, businesses and overall economic position of whānau. Social (a.k.a. Progressive) Procurement is one of these mechanisms that, with the support of our local government partners has been applied to the provisional growth fund projects. Through this single mechanism we have seen a "shift change" within the infrastructure sector with Māori Businesses being the lead for many of these projects. This has also created opportunities for skill acquisition and more sustainable employment opportunities for whānau Māori. As the lead for Pou Tahi Whānau wellbeing it is also important to remind the Matariki caucus of the positive impacts that actions under the Matariki strategy can generate that contribute to improved wellbeing for whānau katoa. Our own K3 Kahungunu Property Company has adopted Whakatū Whare (Social Procurement) as one of its 3 pillars of how they do business along with Whakapakari Tāngata (Growing our people) and Whakatipu Rangatiratanga (Growing Māori ownership).

We continue to also advocate at a national level for changes in the current policy settings under the Social (a.k.a. Progressive) Procurement legislation that better enable the economic growth of the with Crown Ministers through Pou Tahua which is the Economic Forum for the National lwi Chairs Forum. This forum is chaired by Ngahiwi Tomoana with technical expertise provided by our Tari members Danielle Keil and Taash Romana. Crown Ministers have agreed to work collectively on the advancement of 4 priorities with Pou Tahua. Social Procurement is one of these along with Housing, Pōkai Ao and WAl262. The provision of quality, affordable and accessible housing is a priority for Ngāti Kahungunu as it is for many lwi. We are working with the Crown Ministers and agencies i.e. Te Puni Kōkiri, Ministry for Housing and Urban Development and Kāinga Ora to identify solutions across a number of settings and pilots with movement likely in the coming few months.

Last year, Ngāti Kahungunu lwi entered into an agreement with Te Toki Waka Hourua to manage the day to day operations and maintenance of Te waka, Te Matau a Māui and to provide training to potential crew. This has been a great success with our numbers able to crew our waka increased and overall knowledge of our rich navigational history shared with many. We express our thanks to Hoturoa Kerr, John Reid and their many whānau who supported us. Our waka has never looked so beautiful. This year the management of our waka returns to Piripi Smith and Ātea a Rangi Educational Trust. Piripi has added to the good work of Te Toki and is in the process of training 3 potential skippers to provide further capability and capacity for Te waka, Te Matau a Māui.

A couple of final messages from me. Firstly, I want to thank my team. I am forever humbled by your trust and faith in my leadership and always invigorated by the commitment and innovation you show to your mahi, your whanau and the wider Kahungunu whanau. Secondly, to our Board and our Chair, thank you for your continued support to our tari, your innovative thinking and unflinching advocacy and leadership. To our partners and champions; thank you for your confidence and trust to work alongside us. And finally whanau to you. I hope that you continue to be supportive of the kaupapa and the mahi that we do as your servants. I hope you all remain safe and healthy and look after yourselves in these uncertain times.

Whaia te Rongoā, Āraimate! Āe! - Vaccinate! YES! Tiakina koe - Protect you Tiakina tō whānau - Protect yours Tiakina tātau katoa - Protect us

Tihei mauri ora!

## Te Tajao Me Ōna Rawa

Progressing the rangatiratanga of Ngāti Kahungunu in regards to freshwater alongside Ngāti Tahu through the high court is the biggest development and challenge ahead for the iwi. We will be telling the High Court how to meaningfully give effect to our rights and responsibilities. Bringing together all our organisations and evidence within Ngāti Kahungunu will be part of that challenge. This is a crucial step towards occupying the space of rangatiratanga, and promoting our culture in natural resource management rather than being continually reactionary to various law changes, policy and planning proposals.

We do however have to 'maintain the line' in these processess and have submitted on the Water Services Bill (aka 3 waters) and the Natural and Built Environments Act, with our submissions accessible online. We've also maintained the fight to protect our pristine aquifers and drinking water to ensure wai maori status; while proposals from crown agencies and Councils seek to promote treatment. We've continued in our support to put water first, in other words the first priority is our waters, our rivers and lakes – we seek movement beyond nice words. Engaging in these processes with regulatory authorities to progress Ngāti Kahungunu Taiao and Wai objectives is hard work, though we are much wiser from these experiences, and have built positive relationships in some quarters and scorn from others.

One of the most pleasing outcomes of 2020 was the ability to provide more support and assistance to those Taiao kaimahi associated with our Taiwhenua, and strengthening Ngāti Kahungunu advocacy. Bearing in mind that the capacity of Taiwhenua and circumstances are not equal, the NKII Taiao unit are particularly active where invited and working relationships are possible. We're also happy to kōrero or share draft submissions on proposals across the Ngāti Kahungunu whānau whanui – for example the Water Services Bill, and support of Wairoa Taiwhenua and Taiao kaitiaki to improve the treatment of Wairoa Wastewater and remove the discharge from the awa.

Hearings on the combined catchment proposal to protect Heretaunga and Ahuriri waterways (TANK) finally occurred after years of seemingly pointless engagement. We have been upfront about this saga and the shortfalls in the Hawke's Bay Regional Council (HBRC) attempts to ignore tangata whenua in favour of status quo land use, irrigation and continual degradation and disappearance of our waterways. Councils proposal received more opposition from tangata whenua via submissions than ever before; issues and desecrations of tangata whenua rights, responsibilities and cultural values could not have been more comprehensive and clear. Ngāti Kahungunu evidence at Mangaroa Marae included – Barrister – Rob Enright. Scientist- Shade Smith Economist Peter Fraser, Planner – Grey Wilson and myself and is all publically available.

This year's annual Kahungunu Fish Hook Summit showcased some of the research projects we have been involved in or supporting:

- Commercial fishing Sustainable commercial fishing technology with Rick Burch and Karl Warr, aboard the F.V. Nancy Glen and F.V. Chips, respectively. Although two different projects they both focus on better selectivity of target and non-target species. We are also supporting a proposal to reduce bottom trawling impacts. In summer we will be seeking volunteers and potential workers to be part of some of the research.
- Climate change effects of sea level rise on inanga spawning sites.
   Supervising PhD candidate Waikato University Leana Barriball,
   Māori Advisor Parliamentary Commissioner for the Environment.

## Te Tajao Me Ōna Rawa

- Hawke's Bay Marine and Coast group (HBMaC) a HBRC facilitated research group that we are members of, with the current focus on ecosystem based management, and using a system mapping approach, for sustainable management in the coastal marine environment – sustainable seas project.
- Tangaroa Tohu Mana, Tangaroa Tohu Mauri (Marine Cultural Health Programme – Ahuriri hapū, Napier Port). Provided advice and support for programme development to assess the health and wellbeing of the coastal and estuarine waters of Ahuriri hapū.
- Te Whakaheke o Te Wai (GNS, Heretaunga Taiwhenua et al.) understanding the age and pathways above and below ground of our waters; groundwater modelling, with incorporation of mātauranga Māori and our values.
- Braided Rivers (Lincoln Agritech, et al.) better understanding of the aguifer recharge and braided aguifer plains.

There are a number of other projects that we are involved with whānau, hapū, Taiwhenua and research institutes; developing submissions for significant resource consents, catchment plans, policy statements, fisheries quota reviews, ACE carry overs and minimum legal size reviews. Our team looks forward to continuing to work alongside Taiao kaimahi as capacity grows, while offering our experience and expertise and vice versa.

Te hau oranga taha wairua, rukutia, kia ū, kia mau!

Te hau oranga o Ngāti Kahungunu, rukutia, kia ū, kia mau, kia puta ki te ao mārama!

Ngāti Kahungunu lwi Te Ara Toiora's goal of "Strong, Healthy Vibrant whānau" is one of the Seven pou captured in the Kahungunu 2026 Strategic plan, however the work of the Te Ara Toiora Team contributes to or enables outcomes sought right across the seven pou.

Capability and resourcing of our Te Ara Toiora team is facilitated through our strategic relationships with our Crown partners. This enables the lwi to utilize and direct the additional capability and resource offered to further advance the aspirations captured in Kahungunu 2026 recognizing that these also align to the outcomes sought by the Crown. By utilizing our relationships with our Crown partners, our valued community partners and our champions within; we also uphold our guiding principles.

This year has been an extremely busy one with many of our strategic relationships coming to fruition through the implementation of joint initiatives under Te Ara Toiora with our Crown Partners i.e. Ara Poutama Aotearoa (including the High Impact Innovation Team which is cross Justice Sector funded), Oranga Tamariki, Te Puni Kōkiri, NZ Police, Ministry of Social Development, and Te Tumuwhakahaere o Te Wero Community Partners (A.K.A Te Wero) i.e. Te Whare Maire o Tapuwae, Te Roopu ā-lwi Trust, Te Kupenga Ahuriri Hauora, Ikaroa Rangatahi Social Services, Te Taiwhenua o Heretaunga and Choices Whare Oranga Ake. Ngāti Kahungunu Iwi worked with our partners to design and inform the delivery of these initiatives.

While the majority of these initiatives are being delivered within the wider Hawke's Bay, they provide a leverage and advocacy point for these to be rolled out across the Kahungunu's rohe informed and directed by ngā Taiwhenua o Ngāti Kahungunu own aspirations. Alongside of this, Ngāti Kahungunu lwi entered into a different space by becoming a commissioner of services for the Kaiarataki Service under Paiheretia te Muka Tangata and see this as the first of many opportunities that will unfold in the coming 18 months for Ngāti Kahungunu lwi and ngā Taiwhenua o Kahungunu to take on this leadership role.

Ngāti Kahungunu lwi Inc's Kawenata with Ara Poutama Aotearoa (Whakaritenga Pāhekoheko), our input into the Hokai Rangi strategy and HB Pathways, have resulted in a number of initiatives working in tandem with each other that weave the beginning of a whāriki of support services for both those of our whānau (Paihere) within the Hawkes Bay Regional Prison and their whānau and support networks. The work with Ara Poutama Aotearoa is quite extensive and has a level of maturity and complexity as we have been working on this since the signing of the Kawenata in 2018. These initiatives include those funded or enabled by other Crown agencies. While the whāriki is not yet complete we have begun the journey. A precis of some of these are below.

Tēnei Au, Tēnei Au (Trauma Informed Practice / Tikanga Māori / Kaupapa Māori Approaches) funded by Ara Poutama Aotearoa, was designed in partnership with our Te Pūkenga o Ngāti Kahungunu of experts, once implemented will provide kaupapa tikanga based Māori approaches anchored through trauma informed practice and delivery.

The Kaiarataki service in partnership with our Te Wero partners will provide navigational support services for whānau of Paihere from HB Regional Prison prior and post release aimed at improving their circumstances and wellbeing and thereby also improving the possibility of positive reintegration. This is underpinned by the whānau ora principles and Kahungunutanga. This has been a major undertaking for Ngāti Kahungunu lwi as the commissioner of these services in partnership with Te Puni Kokiri who are the lead for this service.

The Wellbeing Continuity upon release initiative is one of two initiatives funded by the High Impact Innovation team The Wellbeing Continuity initiative enables those due to be released from HB Regional Prison to resume their previous benefit entitlement conditions (if they were in receipt of sickness or invalid benefits) or apply for and be granted benefit prior to their release (including bank accounts, identification etc). This initiative

## Te Ara Toiora

which has been implemented in 3 correctional facilities across Aotearoa in partnership with the Ministry of Social Development has already provided support to enable whānau to reintegrate successfully with their whānau whānui and wider community.

The other is the Virtual Reality (VR) Literacy and Numeracy pilot being delivered within the community in partnership with the High Impact innovation team, Animated Research Limited (ARL), Methodist Mission Southern from Dunedin and Learning Innovations Limited in Hawkes Bay who are the provider. This initiative utilizes the VR medium to improve engagement and learning of the enrolled students who are referred by Community Probation and the Ministry of Social Development. ARL and Methodist Mission Southern have developed the VR programmes and technology and delivered this within the Otago Prison with marked success. The educational outcomes across the pilot has exceeded our initial expectations. Literacy and Numeracy outcomes for learners were strong, with 18 of 22 learners who sat two subsequent assessments showed improvements in their literacy and/or numeracy scores. 9 participants achieved their 'Future Directions' certificate and a further 11 participants made progress towards one or both unit standards. This is a great outcome and we are looking for funding with our partners to continue

Over the last year we have been working in partnership with the HB Area of NZ Police to establish Te Kura Family Harm intervention service. Te Kura provides an overarching coordination framework that integrates and advocates for appropriate responses to incidences of family harm. The development of Te Kura has been informed through many consultation hui across Hawkes Bay and the learnings from the review of the Whāngaia Pāharakeke initiatives across the country. The primary lessons we took from the other sites include the importance of integrating tribal knowledge within the programme; and, how people favoured the flexibility of the programme because it could be tailored to support local priorities and systems. Te Kura was given this name by our Chair who references the oriori Pinepine te Kura. The traditional values that this oriori represents is the foundation of our concept. Te Kura is expected to be operational in September of this year.

In March of this year, Ngāti Kahungunu lwi signed a Strategic Partnership Agreement (SPA) with Oranga Tamariki. This document reaffirms our resolve to influence system, policy and process change and lead the development of initiatives with our Crown and Community partners that uphold the fabric of whakapapa, whānau and whānaungatanga. The attempted uplift of a Kahungunu mokopuna in May 2019, highlighted the need for the lwi to remain constant in its advocacy for change. The SPA also leverages off the whānau voice captured through Kōrero Mai whānau, the learnings and the initiatives/services we have led and co-designed in partnership with our Te Wero partners and Oranga Tamariki since 2019. Kōrero Mai Whānau which was led by Dr Aria Graham was initiated soon after the attempted uplift to provide an opportunity for whānau to share their story regarding their various experiences with Oranga Tamariki. The report that resulted was raw and unfiltered, and captured the whānau voice, the trauma and the mamae caused and is a founding document and reference point for Ngāti Kahungunu lwi Inc's SPA. Kōrero Mai whānau also anchors the continuation of the Case Resolution initiative. This enables the lwi through the work of our experienced kaimahi to advocate for and on behalf of whānau, uphold the agreements made and seek resolution.

Pou Amo which is the Iwi led Family Group Conference model is another service developed prior to the signing of the SPA. The design of Pou Amo was informed from the experiences of Te Wero Social service providers, Oranga Tamariki Kaimahi, and most importantly whānau. Pou Amo focuses on the whānau hui, whānau planning stage of the process to enable and empower whānau whānui to take a lead role in the decision making for their mokopuna. The aim of Pou Amo is to where possible retain the Kaitiaki of the mokopuna within whānau whānui and provide the appropriate supports to enable that to occur. We have also advanced our conversations and planning regarding early and intensive intervention, repatriation of our mokopuna (Whakahokia te Tamaiti) and Whānau care.

Consultation and implementation of the Health reforms over the next 12 months will see a significant shift for delivery of health services to Māori. Ngāti Kahungunu lwi Inc have a Memorandum of Understanding

(MoU) with HBDHB and were in the process of finalising an MoU with Health HB PHO, both with the aim of achieving equity of quality health delivery for whānau. The Māori Relationship Board (MRB) which sits within the HBDHB MoU has, since its establishment been instrumental, providing advice and advocating on what matters and what works best for whānau. Individually and collectively MRB members have been national trendsetters and leaders in health aspects such as ethnic data collection, workforce development, delivery of services to Māori and DHB Māori representation. With the advent of the reforms both MoU's and MRB will be succeeded with the lwi Māori Partnership Boards (IMPB) bringing together the Settlement Entities and lwi within the Takitimu waka together. These are exciting times and bring Māori closer to enabling equity and mana motuhake within Hauora.

Over the coming 12 months we will move with intentionality to advocate for and establish services and interventions across the sectors that are whānau centred, whānau led and honour the whānau voice that support the restoration of whānau wellbeing and independence. Some of these are apparent or at the early stages of discussion and include Bail support, alternative remand options and custodial support working across the Justice Sector, Gateway/Triage intervention and Kahungunu Accreditation and Approvals process within the social sector.

Iwi leaders, Māori Providers and Government Agencies, building partnerships to strengthen healthy whānau.

Ngāti Kahungunu lwi Incorporated takes pride in being able to support our iwi members in their cultural, sporting and educational endeavours. Amid the uncertain circumstances, we were able to support individuals, groups and families to participate in activities and events that strengthen home and family, build Kahungunu pride and create positive memories. The following pages provide a summary report on our registration database and steps taken to increase our membership; a summary report on the exciting communication platforms that have been introduced through COVID learnings; provide a summary of events held throughout the year; and lastly list our sponsorship and scholarship recipients.

#### REGISTRATIONS

As at 30 June 2021, the Ngāti Kahungunu Registration Database increased by 1795 members taking our overall total to 36,883 members. 70% of these new registrations came from Heretaunga and Wairoa Taiwhenua. We continue to have a high number of incorrect addresses for whānau who frequently move without updating their information. In 2018 our migration from a Microsoft Access database to a Structured Query Language (SQL) database allowed for us to improve our system to allow Taiwhenua administrators to update information. This mahi rolled out over the past year and is a work in progress. Eventually we are planning for individual access of personal data so individuals can update their information. The roll out of the iwi membership card in 2019 was part of a bigger plan to allow for this progression and we are tracking with our 5 year plan.

#### **COMMUNICATIONS**

During COVID-19 we learned alot about how to best communicate with our people, and we became a communication hub for all communities. This help opened up to the community, not just registered iwi members, all people – all communities. We saw our Taiwhenua hubs grow their own communications and networks with marae, hapū and individuals like a grapevine sharing the latest bargain sale news. It was great. There was an overlap however of databases, networks, who's who, and a somewhat mix up on radio waves with no coordination at times because at the time it was better that no one fell through the gaps. Therefore the support was varied with some receiving more help than others. What we learned throughout the whole ordeal as an iwi organisation is that in a world pandemic we help all, not just registered members. It's the Māori way.

Communications for our people must come from the local Taiwhenua who know their people and their own local plans. It actually became territorial.

All Taiwhenua are different. Our role as Ngāti Kahungunu lwi Incorporated communications must remain high level, positive, uplifting, inspiring and honest. The platforms we use continue to inform our membership and the public. These are Pānui ki te iwi - an email network, Ngāti Kahungunu lwi Incorporated Facebook page, www.kahungunu.iwi.nz website, the Tihei Kahungunu news, Pā Mai To Reo, Chairmans Updates, and access to archived and current information and media releases. You must connect if you want to be informed. Keeping our people informed is important but whānau have a responsibility to stay connected. This year during the COVID-19 Delta outbreak our communications changed slightly giving whānau more of a responsibility to keep informed with Government updates rather than re-feeding the information. If you want to be kept informed, please contact our iwi office to link into any or all of our communication platforms noted in this report.

#### **EVENTS**

Ngāti Kahungunu lwi Inc strives to produce and sponsor events that strengthens hauoratanga, whānautanga and Kahungunutanga.

Due to COVID 19 the 13th annual awards were presented on-line by TV personality Luke Bird and radio host Krystal Edwards with the stunning Toitoi Centre a backdrop for the broadcast. Actearoa's favourite supergroup L.A.B. won four awards and juggernaut Six60 took out Radio Airplay Song Of the Year with The Greatest. Other winners included Troy Kingi, Taite Kupa, Rei, Ria Hal, La Coco and Mohau.

## Kahungunu AGM På Sports Day November 2020, Splash Planet, Hastings

In November hundreds of players representing their marae competed in netball, volleyball, kiwi sports, Kī-o-rahi, tug of war and euchre. Whānau filled buses came from Wellington, Masterton, Dannevirke and Wairoa.

The stunning bike course swept past the port to Cape Kidnappers and the run comprised 3 and 6 laps along the picturesque West Quay to the finish line at Harbourview Lodge.

Ngāti Kahungunu lwi is the foundation sponsor. An exciting new event is planned for December 2022. Big thanks to the founders Heather & Wayne Skipworth, their volunteer crew and competitors for their commitment to this kaupapa.

Netball, touch, 3 v 3 basketball and Ki Orahi in the morning kicked off celebrations.

## Whakanuia Matariki June 2021, Kahungunu wide

This year saw the biggest turnout ever for Matariki celebrations due partly to the high interest generated from the government's announcement on 4 February this year that Matariki will become a public holiday starting Friday 25 June 2022.

Tirama Matariki Light Glow, a new event mounted on Maumahara Island, Masterton attracted a whopping 9,000 visitors on Queen's Birthday weekend. A record 2500+ rode the miniature railway dark ride. Funded by a generous grant from Trust House.

"Amazing. Simply the best. Thanks to those that did all the hard work". Peggy Juggins.

Tamaki nui a Rua Matariki event in Dannevirke attracted 5,000+ and the happy crowds loved the kina shucking competition, kiddies dance off and the spectacular fireworks. A huge covered stage used for events like One Love added the wow factor to the celebrations. A maumahara to remember loved ones lost over the past year was shared to an emotional and appreciative audience.

"Love the vibe. Kina comp the best. Greatest night yet. Mauri ora." Aio Romiromi

Wairoa Matariki 2021 organisers Sara Bird and Esta Wainohu rolled out a full week of activities including a Māori Games Tournament for 5 local schools and a packed whānau concert at the Wairoa Community Centre.

"Thanks Esta. It was an awesome day. You did an amazing job. Superstar!." Kirby Tana

Tamatea Whakanuia drew the biggest crowd for years in Waipukurau with attendance over 3500. Huge thanks to Te Rangimarie Ngarotata and her team who organised an art exhibition, theatre concert, Ki Orahi tournament and finale concert on a huge outdoor stage with a maumahara, kai and fireworks.

"What an amazing night! Thank you to Ngāti Kahungunu lwi. It's our pleasure to have our Central Hawke's Bay District Council and Tamatea Taiwhenua working with you to help make Matariki magic! Alex Walker – Mayor CHB District Council.

Heretaunga Whakanuia saw record crowds come out to eat delicious kai, enjoy entertainment and watch a spectacular fireworks finale. A full stage backdrop lined by neon Matariki images on 9 truss towers provided a striking setting for the region's biggest annual winter gathering at the Flaxmere Village Green. A big thanks to Trust House who funded the stage, sound, outdoor screen and generator.

"Kahungunu has some absolutely awesome events. Proud to be NKI." Fleur Wainohu.

## SCHOLARSHIP GRANTS

Ngāti Kahungunu lwi Incorporated is pleased to support its iwi members who are seeking a higher education and forging through regardless of the stress and pressure that COVID-19 brought. This year the organisation supported 99 students with a general scholarship worth \$500 each, and three postgraduate students with a scholarship worth \$5,000 each. Our partnership with Victoria University enabled us to match funds for 11 Kahungunu tauira studying at Victoria University which gave the iwi the opportunity to support more Kahungunu students.

Hunu-ā-rau rehutai, Hunu- ā -rau ahuwhenua Ngā tukemata whānui o Kahungunu Tēnei te mihi matangi rau Tihei Kahungunu

It is my pleasure to provide the report of the Kahungunu Asset Holding Company Limited (the Company) for the year ended 30 June 2021 based on the unaudited financial statements. We thank Crowe who are continuing to work with us to finalise the audit.

## **Background**

The Company was established in 2005 by Ngāti Kahungunu lwi Incorporated (NKII) to receive and manage the Treaty of Waitangi fisheries settlement on behalf of Ngāti Kahungunu. The Company received quota shares, income shares in Aotearoa Fisheries Ltd and cash.

The Company vision is to "Empower Ngāti Kahungunu Iwi Incorporated through sustainable economic and commercial success" and has a mission to "grow and maximise the assets of Ngāti Kahungunu Iwi Incorporated so the full potential and aspirations of our iwi will be met."

To achieve the vision and mission of the Company, the following objectives have been set:

- Kia Mataara: To ensure the assets of the Company are invested prudently and within the Company's purpose and rules.
- Whakapakaritanga: To improve the value of the Company's capital base.
- Whakamana: Generate sufficient income to support the needs and aspirations of Ngāti Kahungunu lwi Incorporated.

## 20/21 Board Composition

This year we were privileged to have Sir Ian Taylor as part of the board. Sir Ian has since resigned to focus on his digital animation business. The Company wish him well on his ventures, and look forward to seeing his ground breaking digital mahi on the world stage.

The board now consists of four well qualified individuals, who bring their experience and mana to the fore, to guide the Company through these challenging times.

Along with myself, there is Deputy Chair, Heather Te Au-Skipworth a community leader worthy of her ONZM. JB Heperi-Smith, an artist and health professional, who provides a cultural perspective on Company decisions and activities, and Barry Wilson, an entrepreneur and businessman who has been central to landing the settlement for Mana Ahuriri.

The Directors are leaders in their own right, and it is my honour to chair the Company on behalf of the shareholder, Ngāti Kahungunu lwi Incorporated.

#### **Nature of Business**

The business of the Company is to manage the fisheries settlement assets and other commercial assets of Ngāti Kahungunu lwi Incorporated (NKII) for maximum commercial benefit.

#### **Fisheries Assets**

Takitimu Seafoods

Takitimu Seafoods has just finished its second full year trading with a loss of \$6,178,505. The Company continues to financially support Takitimu

Seafoods to ensure the integrity and mana of the brand. The success of Takitimu Seafoods is important to not only the Company and Ngāti Kahungunu lwi Incorporated, but to the 100+ staff that work there and all iwi members.

While last year the focus was on growing iwi partnerships through ACE (quota) acquisition, this year is about consolidation and focusing on activities where Takitimu Seafoods holds the comparative advantage.

COVID has had a significant impact on the success of Takitimu. Designated an essential service provider, the online platform performed well during lockdown. However, export markets hadn't recovered from 2019, and the wholesale market continues to be volatile.

Also this year, Takitimu Seafoods welcomed a new CEO, Hamish Quested. Hamish has over 20 years in the fishing industry and has been integral in leading the Takitimu Seafoods team into the future.

## Pania Reef Fisheries

The Company is a 50% shareholder in Pania Reef Fisheries. On 5 July 2021 the Directors of Pania Reef Fisheries, with the support of their respective shareholders, made the decision to sell the Glomfjord, the 34m factory freezer trawler owned by Pania Reef Fisheries.

This decision was not taken lightly, as being able to fish the deep sea quota held by Ngāti Kahungunu has been an aspiration of the iwi for some time. However, like many businesses, the Glomfjord was unable to shake the impact of COVID. Specifically, product prices, sea freight costs and fuel costs. In addition to COVID impacts, there have been reductions in Hoki ACE over the last three years, which has a roll-on effect for the availability of other deep sea ACE.

The Company would like to thank the crew and all of those that have supported the Glomfjord to date.

The Company recognised impairments from Pania Reef totalling \$5,521,122 (2020: \$217,859 profit).

## **Summary**

While disappointing, the losses within Takitimu Seafoods and Pania Reef Fisheries are not surprising. COVID-19 has disrupted supply chains, increased the cost of freight, lowered demand and reduced profit across the sector – we were grateful that the internet business within Takitimu allowed us to maintain staff numbers of this time. Fortunately, the diversity of the Company's portfolio was able to counter some of that, with steady property and shares investments continuing to grow and the increasing potential of Kahutia and K3.

I offer the attached consolidated statement of the Company's financial performance for your consideration.
